Notes :

- 1. The above unaudited financial results have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on 13th February, 2020.
- 2. The Statutory Auditors have carried out limited review of the above financial results.
- 3. Effective 1st April, 2019, the Company has adopted Ind AS 116 "Leases" using the modified retrospective method. The Company has applied the standard to its leases with the cumulative impact recognised on the date of initial application (1st April, 2019). Accordingly, previous period information has not been restated. On 1st April, 2019, the Company has recognised a lease liability measured at the present value of the remaining lease payments, and right-of-use (ROU) asset at an amount equal to lease liability. Accordingly, on transition to Ind AS 116, the Company recognised lease liabilities and corresponding equivalent ROU assets. The adoption of this standard did not have any significant impact on the profit for the period and earnings per share.
- 4. The Company's business activity falls within a single business segment i.e. "textile business segment" and therefore, segment reporting in terms of Ind AS 108: Operating Segments is not applicable
- 5. The figures for the previous periods have been regrouped/reclassified wherever necessary, to confirm to current periods classification.
